Interactive
Instructions

The stems for the piano solo, individual effects and guide track for *Bloume* are available for download. It is at your discretion whether you use our effects in part or in full or create your own. For a full list of tools and their effects click here www.bloomworks.art/about/manuel-poletti.htm

Line up the piano and effects in your DAW of choice. All stems start at the same time domain.

How to submit:

1. Download the stems here

2. Complete the input fields on this interactive form and submit by clicking send (Adobe Acrobat Reader DC required) or paste your description and related information into an email.

3. Send your remix in MP3 320kbps format to info@bloomworks.art

Things to note

1. Please clearly label your MP3 file in the format Title_Surname

2. If the remix file is over 10MB please use a file transferring service.

Thank you for taking the time to contribute towards this project. I am excited to hear your remixes.

Terms and Conditions

All shortlisted remixes will be featured on the website bloomworks.art and may be included on the social media channels and within e-newsletters. I'm afraid I cannot provide feedback if your work is not chosen.
